

# Erg-a-thon 2012

## 10K for the BoatBay!

### For Online Donations:

A personal web page must be created through [www.Razoo.com](http://www.Razoo.com) by YOU. Why Razoo?

While the other fundraising websites take over 7.9% of each donation, Razoo only takes 2.9% of each donation and is fairly user friendly.

To the outside world, your personal web page is a place where the following is displayed: your name, your message, and your invitation to others to contribute directly to your fundraising effort for the Erg-a-thon 2012 via a secure online credit card donation.

For yourself, your web page is a handy fundraising tool. By logging in to the site you will be able to customize your message to the outside world. This can be done by uploading a picture of yourself, and a story about why you believe in fundraising for CRI. **This year CRI is upgrading equipment by purchasing 10 new Vespoli eights, supporting and developing the best coaches for all, and providing financial aid and scholarships so there are no barriers to participation!** You can also format email messages about your fundraising efforts and send them to all you contacts.
